

# Year 1 Home Learning

## Wild

This term's topic is Wild! We will be doing lots of outside learning and exploring the natural environment.

Please feel free to complete as many or as few of these activities as you wish, choosing the ones which interest you and your child. Please share what you have been doing together by emailing a photo to the Year 1 team by Thursday 12th November (please add your child's name and class G1/S1/M1 to the message subject). Look out for a celebration of work on your class blog from Monday 16th November. Contact the Year 1 team at [year1@damers.dorset.sch.uk](mailto:year1@damers.dorset.sch.uk)

Go for a walk and spend time looking closely at the nature all around you! Why not draw a map!	Collect some leaves and turn them into a work of art, maybe some rubbings or even something different, like animals!	Visit one of our many local nature reserves! Visit <a href="https://www.dorsetwildlifetrust.org.uk/reserves.html">https://www.dorsetwildlifetrust.org.uk/reserves.html</a> to find out where they are!	Take some photos or do some drawings of wildlife in your garden or local area.
Use your imagination and write a story set somewhere outdoors.	Make a list of things you might take if you were going to camp outside in the wild!	Write a poem about your favourite animal or insect!	Read a story that is set outside.
Create a bit of artwork that shows the four seasons.	Play conkers.	Cook something that would be good to eat on a long walk.	Build a den.
