

February 8th

Recognising Coins

What do you know about coins?

If possible provide your child with some coins and allow them to discuss what they know about these coins. Ask them questions about how many coins are big and how many are small, how many are heavy, how many are silver and so on. Ask them if they can group the coins. How can they group them? Prompt them to look at the faces with numbers and name them by their markings (1, 2, 5 and so on). Guide them to use the terms pence and pound.

In Focus

What coins are these?

Let's Learn

 1 pence	 20 pence
 2 pence	 50 pence
 5 pence	 1 pound
 10 pence	 2 pounds

Now have a go at the activity time below. Take turns being the teacher!

Activity Time

Work in pairs.

① The teacher will ask you to guess the coin in his or her hand. You may get hints.

② Make a guess and write it on .

What you need: 

Now have a go at the guided practice and then complete pages 119 -121 in your work book. There is also a fun game you can have a go at here...

Guided Practice

1 Which of these are 50 pence coins?

2 What coins are these?
